

Erwin Schrödinger International Institute  
for Mathematical Physics

**STABILITY OF MATTER  
REVISITED**

on the occasion of

**Walter Thirring's 85th Birthday**

and

**Elliott H. Lieb's 80th Birthday**

**Distinguished Lecture**

by

**Timo Weidl**

**University of Stuttgart**

**From the colour of the sun  
to the stability of matter**

**Thursday, March 22, 2012, 17 h**

**ESI, Boltzmann Lecture Hall**

**The lecture will be followed by a reception.**
