

# Oskar-Morgenstern-Platz Meeting 2021

The OMP meeting 2021 on Evolutionary Games

will take place on-site

9/9 at 9:00 on floor 9 (room 9.143)

## Program:

9:00-9:30 Ulrich Berger (WU Wien): „An information paradox in evolutionary reputation games“

9:30-10:00 Josef Hofbauer (Uni Wien): “Stability of Nash equilibria in role games”

10:00-10:30 Coffee break

10:30-11:00 Karl Sigmund (Uni Wien): „Adaptive Dynamics for Signaling Games: an Elementary Approach”

11:00-11:30 Hannelore De Silva (WU Wien): “Adaptive Dynamics for Signaling Games: eight Examples”

11:30-12:00 Christina Pawlowitsch (Uni Panthéon Assas, Paris): “Costly Signaling as narrative device in literature and films”

12:00-13:00 Lunch break

13:00-13:30 Maria Kleshnina (IST Austria): “Optimal sharing in social dilemmas”

13:30-14:00 Christoph Kuzmics (Uni Graz): “Renegotiation and Coordination with Private Values”

14:00-14:30 Coffee break

14:30-15:00 Michael Greinecker (Uni Graz): “Limit Orders and Knightian Uncertainty”

15:00-15:30 Laura Schmid (IST Austria): “Direct reciprocity between individuals with different memory capacity”

15:30-16:00 Christian Hilbe (MPI Plön): “Robust cooperation in alternating interactions”
