Abstract: [SFB65.univie.ac.at/s/qn](https://sfb65.univie.ac.at/s/qn)

From 15:00 to 15:45:

Igor Voulis (Georg-August-Universität Göttingen, Germany)

The Trefftz DG framework

Abstract: [SFB65.univie.ac.at/s/qn](https://sfb65.univie.ac.at/s/qn)

The seminars of the PDE Afternoon take place in hybrid form (in person and also on Zoom). The Zoom links are sent per email through the SFB Newsletter (normally on Friday or during the weekend). You can subscribe to this newsletter at [SFB65.univie.ac.at/s/px](https://sfb65.univie.ac.at/s/px)

If you would like to receive a Zoom link only for a given seminar, please write an email to matteo.tommasini@univie.ac.at (please write your request from an institutional email address).
